

MINUTES OF THE A.C.L.U. MEETING

ON MAY 7, 1970

The meeting was opened by Tom Hughes. Tom reported that Dick Poole handled a case for a man named Sabou, which arose out of the murder of a railroad conductor last week. Poole got Sabou released from jail earlier this week.

The following officers were nominated and unanimously elected:

President:	Gerald E. Kandler
First Vice President:	Joseph A. Rosenthal
Second Vice President:	Sheldon N. Sandler
Corresponding Secretary:	Joan . . . Rosenthal
Recording Secretary:	Garry G. Greenstein

Lee Tucci reported on a telephone answering service in the name of A.C.L.U., and Spencer Cox will be approached about the necessary money. If we get a telephone answering service, the answering service will also serve as a mailing address.

It was decided that Jerry Kandler will issue a news release concerning the boy at Christiana High School who is not allowed to go to Boys' State because his hair was too long and he did not meet the American Legion requirements of "no long-haired hippy types".
