Re: Public Records Request // Automatic License Plate Readers

Dear FOIA Officer:

Pursuant to the Delaware Freedom of Information Act, 29 *Del. C.* § 10001 et seq., I request access to and copies of the public records referred to in Exhibit A to this letter in the possession, custody or control of the County of New Castle or the New Castle County Police Department.

If you believe that any of the requested records are exempt and need not be disclosed, and intend to withhold documents on that basis, please explain the basis for your belief, and for each document or portion withheld, state its date, sender, recipient and author, and describe its contents sufficiently to enable an independent evaluation of the possible exemption, so that I may decide whether a judicial challenge is appropriate.

I also request a waiver of all fees for this request. Disclosure of the requested information is in the public interest because it is likely to contribute significantly to the public understanding of the operations or activities of the government and is not primarily in a commercial interest. The information is being requested on behalf of the American Civil Liberties Union of Delaware, a public interest organization that seeks the information for use in the public interest.

Please produce the documents within 30 days of the date of this letter. (See the June 2, 2003 opinion of the Delaware Attorney General regarding responses to FOIA requests.) If you have any questions regarding the scope of the request or any other matters, please contact me at (302) 654-5326, ext.103 or rmorse@aclu-de.org.

Thank you.

Sincerely yours,

Richard H. Morse
